Agency Products

About Us

Since 1977, House of Flags has been a one stop shop for all of our customer's marketing solution needs.

We have our own in house print room, can hold stock and also have a dedicated installation and maintenance team. This allows us to offer shorter lead times and provide competitive prices to our customers.

We understand that all of our customers have unique requirements and pride ourselves on producing bespoke products tailored to our customer's requirements. We have invested heavily in our materials and products, ensuring that we only supply the best products.

We have received ISO accreditations for our high quality product testing programmes, manufacturing, installations and customer support.
