

FLAGPOLE: Buying Guide

HOUSE
of FLAGS

House of Flags, one of the UK's leading suppliers of flags, banners, bunting and promotional displays.

STEP 1

What flagpole size and material is right for me?

Buying a flagpole can be a daunting and confusing task. The aim of this guide is to make choosing a free-standing flagpole easy, guiding you through the different factors to consider in order to buy the right flagpole for you.

'First consider the height of your flagpole, this shows you the height of our flagpoles in relation to the height of a building.'

Flagpole Height (m)	Storey Building
6	2
8-10	3
12	4

Free-standing Sizes

Flagpole	6m	7m (23ft)	8m (26ft)	9m (29ft)	10m	11m	12m
Glass Reinforced Plastic (GRP)	✓	✓	✓	✓	✓	✓	✓
Aluminium	✓	✗	✓	✗	✗	✗	✗

Glass Reinforced Plastic (GRP) – Made from one piece, more durable and ideal for permanent fixture.

Aluminium – Made from two pieces, less durable and ideal for re use on different sites'

STEP 2

How will my flagpole be fixed?

Depending on the material chosen in step 2 or if it is an Angled pole, it will dictate the fixing option as shown below.

Material	Fixing
Glass Reinforced Plastic (GRP)	Hinged Baseplate
Aluminium	Ground Sleeve
Angled Pole	Wall Mounted Bracket (Angled or vertical)

Wall mounted angle bracket

Wall mounted vertical bracket

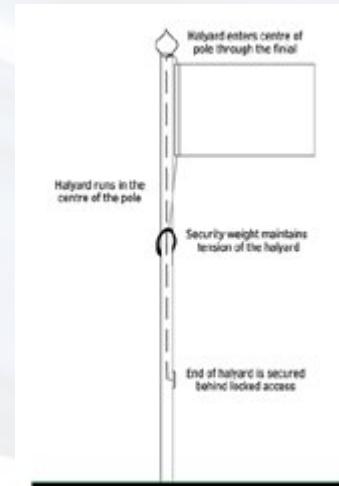

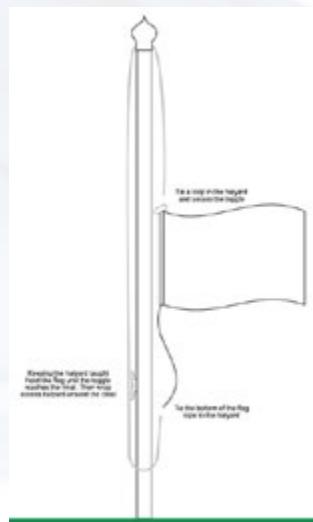

Hinged base plate

STEP 3

Choose your flag Hoisting Option

Internal hoisting is a more secure option, however external hoisting should be considered if you are looking for a cost effective solution.

Flagpole Material	Internal	External	Banner Arm
Glass Reinforced Plastic (GRP)	✓	✓	✓
Aluminium	X	✓	✓

STEP 4

Finishing and Additional Security Options

Security Option	Purpose
Internal Halyard with a Lockable Door	Prevent your flagpole being tampered with as the halyard can only be accessed if you have a key. Available as a metal or a plastic door.
Ground Collar	To prevent people from tampering with foundation bolts which secure your flagpole to the ground.

Internal Halyard lockable door

Flagpole truck heads

Flagpole finials

Ground sleeve
