

Signage Installation Case Study

**HOUSE
of FLAGS**

Customer: Denton Homes

Products Installed:
31 x Hoarding Boards
2 x Brushed Aluminium & Acrylic
Signs

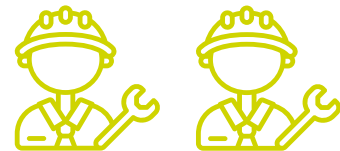

Number of Installers: 2 People

House of Flags installed 31 hoarding panels and 2 stand off signs for Denton Homes' new development in Pease Pottage, Sussex.

We designed, produced and installed all of the products. The installation was completed in one day, using two of our installation team members.

The hoarding was a specialist installation with hoarding panels being installed on the site entrance gate, and stand off signs being installed ontop of the hoarding panels themselves.
