

INFO LAYER

Please read the following before setting up your artwork.

**Product -
Small Teardrop Flag
0.66 x 1.5m**

**Artboard Size
697mm x 1540mm**

Blue area represents the area which is required to produce the product. It includes - Sleeve, Cut Path and Bleed. Please fill the whole artboard with your artwork at 100%.

Please ensure all important artwork information i.e. logos, text & images fall within the white area, as some detail may be lost in the blue area due to the manufacturing process.

Save your artwork as a PDF using the standard Illustrator Default Option.

IMPORTANT

Once you have filled the artboard and positioned everything of importance within the white area, **DELETE** the "INFO" layer, leaving ONLY "Your Artwork" and "DO NOT DELETE" Layers.
