Products for Marketing Agencies

A one stop shop partner for all your display marketing requirements.

About Us

Since 1977, House of Flags has been a one stop shop for all of our customers' marketing solution needs.

We have our own print room, can hold product stocks and have a dedicated installation team. This allows us to offer shorter lead times and competitive prices to our customers.

We understand that our customers have unique, individual requirements, so we invest heavily in expanding our material and product ranges, making sure we can supply the best products to our customers.

To ensure the quality of our products we take great pride in our quality process. As well as our rigorous testing programme we have also achieved an ISO accreditation for manufacturing, supplying and installation.

Alcumus SafeContractor is a leading third party accreditation scheme which recognises extremely rigorous standards in health and safety management amongst contractors.

Customer Portal and Stock Holding

We offer stock holding facilities for both short and long lead times, all from our UK warehouse. Recently, we have also launched our new online customer buying portals.

Both initiatives are aimed at making purchasing and lead times better for our customers, especially those who have multiple buyers across the UK.
