

A photograph of event staff at an outdoor event. In the foreground, a woman with red hair, wearing a high-visibility yellow vest over a dark blue long-sleeved shirt, smiles while holding a stack of blue items wrapped in plastic. To her right, another woman in a similar vest looks towards the camera. They are standing behind a blue banner with large yellow text that reads 'HOUSE OF FLAGS'. A yellow sign with black text is also visible on the banner. In the background, a green hillside is visible with other people and a metal crowd control barrier.

HOUSE of FLAGS

Products for the Events Sector

A one stop shop partner for all your event display marketing requirements, offering short lead times, installation and maintenance.

About Us

Since 1977, House of Flags has been a one stop shop for all of our customers' marketing solution needs.

We have our own print room, can hold product stocks and have a dedicated installation team. This allows us to offer shorter lead times and competitive prices to our customers.

We understand that our customers have unique, individual requirements, so we invest heavily in expanding our material and product ranges, making sure we can supply the best products to our customers.

To ensure the quality of our products we take great pride in our quality process. As well as our rigorous testing programme we have also achieved an ISO accreditation for manufacturing, supplying and installation.

The logo for House of Flags is a green speech bubble with a white outline, pointing to the left. Inside the bubble, the words "HOUSE of FLAGS" are written in a bold, sans-serif font. "HOUSE" and "FLAGS" are in all caps, while "of" is in lowercase and smaller.

Whether you require an installation at one UK site or multiple sites nationwide, our team can help.

- Advice and help with planning permissions where needed.
- Can carry out a site survey and provide you with a full report and installation plan.
- Safe and secure installation in line with health and safety standards.

Alcumus SafeContractor is a leading third party accreditation scheme which recognises extremely rigorous standards in health and safety management amongst contractors.

Customer Portal and Stock Holding

We offer stock holding facilities for both short and long lead times, all from our UK warehouse. Recently, we have also launched our new online customer buying portals.

Both initiatives are aimed at making purchasing and lead times better for our customers, especially those who have multiple buyers across the UK.
