

## HOUSE of FLAGS

### Products for the Hotel Sector

A one stop shop partner for all your hotel display marketing requirements, offering short lead times, flag pole installation and maintenance.

## About Us

Since 1977 House of Flags has been a one stop shop for all our customers' marketing solution needs.

We are able to offer short lead times due to our own UK based print room, holding stock of products and having a dedicated installation team.

We invest heavily in expanding our material range, as we understand that our customers have many different requirements for our products.

Recently, we have also released a new buying portal to streamline purchasing for our customers with numerous buyers over multiple sites.

Our Alcumus Safe Contractor assured installation team is also able to offer flagpole installation and maintenance for our customers, even in the most challenging locations.

The logo for House of Flags is a yellow speech bubble with a white outline, pointing to the right. Inside the bubble, the words "HOUSE of FLAGS" are written in a bold, sans-serif font. "HOUSE" is in all caps, "of" is in lowercase, and "FLAGS" is in all caps.

## Custom Flags

Digital printing allows your flag to have a complex design, whilst maintaining a quick turnaround time. Our digital printers are able to reproduce high quality crisp photographic images to represent your branding and replicate your logo.

For larger orders we can also screen print your flag onto a variety of materials, matching your pantone and printing up to eight solid colours.

## National Flags

National flags are made up of specific colours, designs, shapes and styles to ensure they conform to set regulations.

Available either sewn or printed, we produce all the flags of the world. We can also produce beautiful national angled flags which are great for your business premises in areas with limited ground space.

Whether you require an installation at one UK site or sites nationwide, our team can help.

- Advice and help with planning permissions where needed.
- Can carry out a site survey and provide you with a full report and installation plan.
- Safe and secure installation in line with health and safety standards.

Alcumus Safe Contractor is a leading third party accreditation scheme which recognises extremely rigorous standards in health and safety management amongst contractors.

## Customer Portal and Stock Holding

In addition to offering stock holding to our customers we have also recently launched our new customer buying portals.

Both initiatives are aimed at making purchasing and lead times easier for our customers, especially for those with multiple buyers across numerous sites.
