Products for the House Building Industry

A one stop shop partner for all your building site marketing requirements

About Us

Since 1977 House of Flags has been a one stop shop for all our customers' marketing solution needs.

We are able to offer short lead times due to our own UK based print room, holding stock of products and having a dedicated installation team.

We invest heavily in expanding our material range, as we understand that our customers have many different requirements for our products.

Recently we have also released a new buying portal to streamline purchasing for our customers with numerous buyers over multiple sites.

Our Alcumus Safe Contractor assured installation team is also able to offer flagpole installation and maintenance for our customers, even in the most challenging locations.

The logo for House of Flags is a yellow speech bubble with a white outline, pointing to the right. Inside the bubble, the text "HOUSE of FLAGS" is written in a bold, sans-serif font. "HOUSE" and "FLAGS" are in all caps, while "of" is in lowercase and smaller.
